This outlines what is expected of you the fighter/coach in relation to promoting the show in the weeks leading up to the event. If we are paying you as a pro fighter, or simply providing flights and accommodation we expect that you will promote tickets sales and any PPV broadcasts weekly in the 6 weeks leading up to the show. Muay Thai Royale Fighter Info and Waiver Copy

- Where we can, we will be booking flights with the ability to cancel or change dates, in which case the additional fee for “upsizing” flights or name changes to allow for these conditions will be covered by the fighter/gym (both North and South Island) rather than the whole flight cost. This will also include the opponents’ flights if we cannot rematch them. If flights can not be booked with the ability to cancel then the full cost of the fighters coach and fighter will be reimbursed and the opponents flights where a suitable opponent cant be found. Any tickets or costs to supporters will not be refunded by us.
- Where both fighters have withdrawn within 42 days of the scheduled match, and one or either cannot be rematched, The cost of any flights, title belts and promotional costs will be split equally by both teams. The promotor must provide actual payment invoices/details of money spent however.
- Determining a suitable opponent will be done by the sanctioning body rankings team rather than the promoter alone. If they deem no opponent suitable then no costs will be sought.
- Any International travel where we cannot book flights with the ability to cancel, or change flights we will cover 50% of the loss of flights costs with the outstanding 50% to be covered by the team who have withdrawn.
